- Through **prayer**, we encounter Christ, present in the faces of every member of our human family, so often still walking that long road to Calvary.
- Through **fasting**, we encounter our own obstacles, those things about ourselves that prevent us from loving God and neighbor.
- Through **almsgiving**, we encounter our brothers and sisters around the world, asking what we can give up so that others might have life to the fullest.

Lent is our time to **encounter**, to cultivate a spirit of global solidarity. Learn more about communities around the world and how your prayers and Lenten sacrifices can change lives at www.crsricebowl.org/
