Our **Concerts at the Cathedral** series exists as a community outreach of St. Joseph Cathedral's music ministry. It strives to provide the opportunity to hear inspiring music in the magnificent beauty, architecture and acoustics of the Cathedral; to provide sacred programs by performers whose talents and gifts will give all attending an experience of God's love through music; and to provide these concerts free for all; requesting only a free-will offering. We strive to present a varied series of concerts each season to supplement our three main programs that are held annually: our *Advent Festival of Lessons and Carols*, performance of the Christmas portion of Handel's *Messiah* with chamber orchestra and the *Office of Tenebrae* celebrated on Wednesday of Holy Week.

PATRONS NEEDED!

We need your help! The concert series is not funded by the general budget of the Cathedral; our only source of funding is patrons and free-will offerings, and the series has been made possible through the generosity of many donors. This year, I invite you to support our efforts by making a contribution. If you have given to us in the past, I thank you for your gift and humbly ask that you prayerfully consider renewing or increasing your patronage. Each donor's name is listed in a printed program at each concert, unless you indicate on the form below that you wish your gift to remain anonymous. Additionally, be sure to look for the reserved seating section for FRIENDS OF CATHEDRAL MUSIC when you attend a Concert at the Cathedral. All contributions are tax-deductible and prospective corporate/business patrons are encouraged to contact us about advertising in the printed program. As always, we thank you for your constant support, generosity and, most importantly, prayers.

Gratefully,
Eric J. Bermani
