Easter Season

Easter is a day of celebration because it represents the fulfillment of our faith as Christians.

When Christ died for us on the cross he saved mankind from bondage to sin, He destroyed the hold that death has on us. His Resurrection gives us the promise of new life, both in this world and the next.

Easter is the fulfillment of that promise and with His resurrection, God's Kingdom is established on earth, in the form of the Church.

Because of this new life in Christ, we usually baptize new Catholics at the Easter vigil.

First Communion celebrations are also held during the Easter Season for the same reason.

Wishing you all a Happy Easter!

Easter Table Center Piece

Supplies Needed:

- 2 empty 32-oz. yogurt cartons
- 3 Orchard Baskets in varying sizes, or other type of basket
- Hot glue gun
- faux grass
- Easter treats

This center piece sure looks tasty and when I found it I thought it would be nice and easy enough craft to do for Easter Sunday.

I'll bet friends and family will be impressed with this decoration! :-)

To make this tower of treats, tape cut-to-fit craft paper around two empty 32-oz. yogurt cartons. Hot-glue an upside-down carton inside the large orchard basket, then glue a medium basket on top. Repeat with other carton and the small basket.

Now you can fill the baskets with faux grass and lots of sweet goodness.

I hope you all have a beautiful Easter Sunday.

Consider the lilies, how they grow: they labour not, neither do they spin. But I say to you, not even Solomon in all his glory was clothed like one of these.
